

SUNDAY 7 February

09.45	Delegates enter lobby
09.50 - 10.40	Opening plenary session
09.50	Welcome and introduction <i>Dr Michael J Michell, President, Symposium Mammographicum</i>
10.00	Audrey Tucker Memorial lecture:
10.40	Screening and early diagnosis of breast cancer: Past, present and future <i>Professor Sir Mike Richards, Chair, Independent Review of Adult Screening Programmes in England</i>
	Live Q&A

10.40 - 11.00 Comfort break and poster viewing opportunities

11.00 - 12.00	COVID-19 update
	<i>Chairs: Dr Michael Michell and Dr Ros Given-Wilson, Symposium Mammographicum Organising Committee</i>
11.00	Impact of Covid-19 and the suspension on the breast screening programme <i>Professor Stephen Duffy, Director of the Policy Research Unit in Cancer Awareness, Screening and Early Diagnosis</i>
11.25	Resilience and innovation in education <i>Dr Claire Mercer, Head of Radiography, University of Salford</i>
11.50	Panel discussion
12.00 - 13.00	UK Screening Trials
	<i>Chairs: Dr Sarah Vinnicombe and Mrs Claire Borrelli, Symposium Mammographicum Organising Committee</i>
12.00	PROSPECTS <i>Dr Michael J Michell, Consultant Radiologist, King's College Hospital, London</i>
12.15	BRAID & MYPEBS <i>Professor Fiona J Gilbert, Professor of Radiology, University of Cambridge School of Clinical Medicine</i>
12.30	PROCAS 2 <i>Professor Gareth Evans, Professor of Medical Genetics, Regional Genetics, St Mary's Hospital, Manchester</i>
12.45	Panel discussion

13.00 – 14.00 Lunch break and Sponsor's symposium

14.00 - 15.00	Proffered papers
	<i>Chairs: Dr Anna Murphy and Dr Sarah Tennant, Symposium Mammographicum Organising Committee</i>
14.00	Chasing calcification - are we performing too many diagnostic stereotactic biopsies for the assessment of microcalcifications? <i>Dr Ketan Jethwa, Nottingham Breast Institute</i>
14.10	B3 lesions - VAE to B5b or not to B5b, a DGH experience <i>Mrs Julia Yemm, Sherwood Forest Hospitals NHS Foundation Trust</i>
14.20	Risk of breast cancer following detection of breast lesions of uncertain malignant potential: A 23-year retrospective review <i>Dr Nerys Forester, Newcastle Hospitals</i>
14.30	The prognostic impact of mode of detection of axillary metastases for women with invasive breast cancer <i>Ms Kirsty McNeil, NHS Tayside</i>
14.40	Contrast enhanced digital breast tomosynthesis for the monitoring of response to neoadjuvant chemotherapy: Preliminary results <i>Dr Sarah Savaridas, University of Dundee</i>
14.50	Live Q&A with presenters

15.00 - 15.40 Comfort break and poster viewing opportunities

15.40 - 16.20	Society and College of Radiographers Workshop Breaking through the glass ceiling <i>Ms Sue Johnson, SCoR and Mrs Claire Borrelli, Symposium Mammographicum Organising Committee</i>
15.40 - 16.40	<i>Workshop/symposia/poster viewing</i>

16.40 - 17.00 Comfort break and poster viewing opportunities

NETWORKING BREAKOUT SESSIONS

17.00 - 18.00	Workshop Assistant Practitioners Breakout Session Chairs: <i>Mrs Claire Borrelli and Mr Oliver Morrish, Symposium Mammographicum Organising Committee</i> 17.00 SCoR update/scope of practice <i>Ms Sue Johnson, Professional Officer Clinical Imaging, Society and College of Radiographers</i> 17.15 Academy e-learning material for APs <i>Mrs Lyndsay Kinnear, Training & Education Lead for Mammography, Nightingale Centre, Manchester University NHS Foundation Trust</i> 17.30 Audit – working on the mobile vans pilot and beyond <i>Ms Jacquie Jenkins, National Breast Screening Programme Manager, PHE</i> 17.45 Panel discussion
17.00 - 18.00	Consultant Practitioners Networking Breakout Session Chairs: <i>Ms Zebby Rees and Ms Sue Garnett, Symposium Mammographicum Organising Committee</i> 17.05 Update from CRAG <i>Ms Sue Williams, Consultant Radiographer in Breast Imaging, Shrewsbury and Telford NHS Trust</i> 17.15 Arbitration issues <i>Ms Lisa Hackney, Consultant Radiographer, Macclesfield District General Hospital</i> 17.25 Do we need accreditation? <i>Ms Linda Deane, Breast Imaging Consultant Radiographer, Shrewsbury and Telford Hospital</i> 17.35 Director of Screening <i>Mrs Kathryn Taylor, Director of Breast Screening and Consultant Radiographer, Cambridge University Hospitals NHS Foundation Trust</i> 17.45 Panel discussion

19.00 - 20.00 Ruby anniversary social event (tbc)

MONDAY 8 February

08.00 - 08.45 Sponsor's symposium

09.00 - 10.30 Artificial intelligence
Chairs: Prof Mark Halling-Brown and Dr Ros Given-Wilson, Symposium Mammographicum Organising Committee

09.00 **How does it work** Professor Ken Young, Head of Research (NCCPM), Medical Physics Department, Royal Surrey County Hospital

09.20 **Evidence** Professor Nico Karssemeijer, Founder ScreenPoint and Professor of Radiology, Radboud University, Nijmegen, The Netherlands

09.40 **Where can it fit into the clinical pathway** Dr Louise Wilkinson, Consultant Radiologist, Oxford Breast Imaging Centre

10.00 **Information Governance & AI** Dr Kevin Dunbar, Regional Head of Screening Quality Assurance Service (SQAS) – South, Public Health England Screening Division

10.20 **Panel discussion**

10.30 - 11.00 Comfort break and Sponsor's knowledge share session

11.00 - 12.30 Safely reducing recall and cases to learn from
Association of Breast Clinicians session

 **Chairs:** Dr Zoe Goldthorpe, President, ABC and Dr Sarah Vinnicombe, Symposium Mammographicum Organising Committee

11.00 **Reducing recall rate** Dr Alexandra Valencia, Consultant Radiologist, Bristol

11.25 **Cases to learn from** Dr Keshthra Satchithananda, Consultant Radiologist, King's College Hospital, London

11.50 **Small round masses – hints & tips** Dr Nisha Sharma, Director of Breast Screening and Clinical Lead for Breast Imaging, Leeds Teaching Hospitals NHS Trust

12.15 **Panel discussion**

12.30 - 13.15 Lunch Break and Sponsor's knowledge share session

13.15 - 14.15 Building resilience in the workplace
Chairs: Dr Claire Mercer and Dr Anna Murphy, Symposium Mammographicum Organising Committee

13.15 **Burnout: How can we protect ourselves and each other?** Dr Ruchi Sinnatamby, Consultant Radiologist and Clinical SubDean, Cambridge University Hospitals NHS Foundation Trust

13.30 **Bullying and bad behaviour in the workplace affects patient care** Miss Leena Chagla, Honorary Secretary of ABS, Consultant Surgeon, St Helen's and Knowsley Teaching Hospitals

13.45 **STOPThink!** Mr Mick Reeves, STOP Think! Lead, Osborne

14.00 **Panel discussion**

14.15 - 14.35 Comfort break and Sponsor's knowledge share session

14.35 - 15.45	Knowledge is power <i>Chairs: Ms Patsy Whelehan and Dr Liz O' Flynn, Symposium Mammographicum Organising Committee</i>
14.35	Breast academy <i>Dr Megan Bydder, Manchester University Hospitals NHS Foundation Trust</i>
14.50	Undertaking a PhD <i>Dr Claire Mercer, Head of Radiography, University of Salford</i>
15.05	Tools for getting research approval <i>Dr Lyn Jones, Consultant Radiologist, North Bristol NHS Trust</i>
15.20	The Breast Screening Research Advisory Committee (RAC) <i>Mr Mark Sibbering, Consultant Breast Surgeon, University Hospitals of Derby and Burton</i>
15.35	Panel discussion
15.45 - 16.30	Fujifilm Platinum Sponsor's symposium

16.30 - 17.00 Comfort break and Sponsor's knowledge share session

17.00 - 18.00	Male, trans and non-binary people - Association of Breast Clinicians session  <i>Chairs: Dr Nerys Forester Symposium Mammographicum Organising Committee and Dr Catherine Coleman, Secretary of ABC and Organising Committee member</i>
17.00	The male breast/gynecomastia <i>Dr Di Dalgliesh, Breast Clinician, Bath and Bristol, Vice President ABS</i>
17.20	Breast screening for trans and non-binary people <i>Dr Gary Rubin, Locum Consultant Radiologist, Worthing and Brighton</i>
17.40	Panel discussion

18.00 - 19.00	Sponsor's symposium
----------------------	----------------------------

TUESDAY 9 FEBRUARY

08.00 - 08.45 **Sponsor's symposium**

09.00 - 10.00 De-escalation trials update
Chairs: *Dr Zoe Goldthorpe, President, ABC and Dr Rahul Deb, Symposium Mammographicum Organising Committee*

09.00 **SMALL** *Mr Stuart McIntosh, Clinical Senior Lecturer in Surgical Oncology, Queen's University Belfast*

09.20 **LORIS and Nostra trial where we are** *Dr Matthew Wallis, Consultant Radiologist, Cambridge*

09.50 **Panel discussion**

10.00 – 10.10 Comfort break

10.10 - 11.10 Good communication supports good care
Chairs: *Ms Claire Bailey & Dr Barbara Dall, Symposium Mammographicum Organising Committee*

10.10 **Telephone results study** *Dr Sian Taylor-Phillips, Associate Professor of Screening and Test Evaluation, Warwick Medical School*

10.25 **Genetics App SGH** *Dr Katie Snape, Consultant Cancer Geneticist, St George's Hospital*

10.40 **How do women experience a false positive test result from breast screening? A systematic review and thematic synthesis** *Miss Hannah Long, PhD student, University of Manchester*

10.55 **Panel discussion**

11.10 – 11.40 Comfort break and Sponsor's knowledge share session

11.40 - 13.10 Equipment performance and dosimetry
Chair: *Mr Oliver Morrish and Ms Anna Burch, Symposium Mammographicum Organising Committee*

11.40 **QA testing for CESM** *Ms Katherine Schofield, Mammography Physics Team, Health Facilities Scotland*

12.00 **Towards the model observer** *Dr Lynn Martinez, Clinical Scientist, Royal Free*

12.20 **Dose management and practical implications** *Mr Matthew Dunn, Head of Radiation Physics, Nottingham University Hospitals NHS Trust*

12.40 **Breast imaging dosimetry: Present and future** *Dr Ioannis Sechopoulos, Associate Professor, Radboud University Medical Centre, LRCB, Dutch Expert Centre for Screening*

13.00 **Panel discussion**

13.10 - 14.00 Comfort break

13.15 - 14.00 **Gold Sponsor's symposium**

14.00 - 15.10	Wellbeing of patients with advanced disease <i>Chairs: Ms Claire Bailey and Mrs Claire Borrelli, Symposium Mammographicum Organising Committee</i>
14.00	Breast cancer as a chronic disease <i>Professor Debbie Fenlon, Professor of Nursing, Swansea University</i>
14.15	Imaging metastatic disease/PET <i>Professor Iain Lyburn, Gloucestershire Hospitals NHSFT</i>
14.30	Pathology of primary and recurrent/metastatic tumours – informing the decision to rebiopsy <i>Dr Rahul Deb, Consultant Histopathologist & Breast MDT Lead, University Hospitals of Derby and Burton</i>
14.45	Oncologist's view – how to broach bad news regarding secondary breast cancer <i>Dr Muireann Kelleher, Oncologist, St George's University Hospitals NHS Foundation Trust</i>
15.00	Panel discussion
15.10 - 15.40	Fujifilm Equipment walkthrough demonstration

15.40 - 16.10 **Comfort break and poster viewing**

16.10 - 17.00	Proffered papers <i>Chairs: Symposium Mammographicum Organising Committee</i>
16.10	Estimating the cost impact of including Magnetic Resonance Imaging (MRI) in the National Health Service Breast Screening Programme (NHSBSP) for population-risk women in England <i>Hesam Ghiasvand, University of Exeter</i>
16.20	Expression of the gadolinium transporters SLCO1B1 and SLCO1B3 in breast cancers: A potential role in influencing tumour enhancement on MRI <i>Rachel Sutherland, Newcastle University</i>
16.30	Contrast enhanced digital breast tomosynthesis for the monitoring of response to neoadjuvant chemotherapy: Preliminary results <i>Sarah Savaridas, University of Dundee</i>
16.40	Is there a role for advanced practitioners to deliver biopsy results within breast screening? <i>Joleen Kirsty Eden, East Lancashire Hospitals NHS Trust</i>
16.50	Live Q&A with presenters

17.00 - 18.00 **Poster viewing**

18.00 - 19.00	Sponsor's symposium
----------------------	----------------------------

WEDNESDAY 10 February

08.00 - 08.45 Sponsors' symposium

09.00 - 10.00 **Detecting the elusive aggressive cancers**
Chairs: Mrs Claire Borrelli & Dr Barbara Dall Symposium Mammographicum Organising Committee

09.00 **Setting the scene** Dr Matthew Wallis, Consultant Radiologist, Cambridge

09.15 **The role of contrast enhanced spectral mammography in finding the cancers that kill** Dr Elisabetta Giannotti, Consultant Radiologist, Nottingham University Hospitals

09.30 **The role of abbreviated breast MRI** Dr Lyn Jones, Consultant Radiologist, North Bristol NHS Trust

09.45 **Panel discussion**

10.00 - 10.20 Fujifilm knowledge share session

10.20 - 10.30 Comfort break

10.30 - 12.00 **Association of Breast Surgery joint session**
Chairs: Dr Sarah Tennant, Vice Chair Symposium Mammographicum Organising Committee and Miss Julie Doughty, President, Association of Breast Surgery

10.30 **Breast conservation: Pushing the boundaries** Professor Michael Dixon, Professor of Surgery & Consultant Surgeon, University of Edinburgh

10.50 **Axilla surgery: Less is more** Miss Leena Chagla, Consultant Surgeon and Lead Clinician Breast services

11.10 **Family history risk reducing surgery and is there a role to image the reconstructed breast** Mr John Murphy, Consultant Oncoplastic Breast Surgeon, University of South Manchester

11.30 **Lipofilling, its indications, pitfalls and implications for radiologists** Professor Jaume Masia, Plastic Surgeon, University of Barcelona, Spain

11.50 **Panel discussion**

12.00 - 13.00 **LIVE Interactive case session presented by Harrogate Radiology team**
Dr Caroline Costello and Dr Neal Larkman, Consultant Radiologists, Harrogate

13.00 - 14.00 Comfort break and Sponsor's symposium

14.00 - 15.00 **Proffered papers**
Chairs: Dr Claire Mercer and Ms Patsy Whelehan, Symposium Mammographicum Organising Committee

14.00 **Review of the 2018 national breast screening incident - experience from a single unit** Charlotte Sunter, Newcastle Hospitals

14.10 **Smoking is an independent negative predictor of mammography attendance in women eligible for breast screening** Patricia Fitzpatrick, University College Dublin

14.20 **Incorporating adult learning theory into interventions to reduce recall rate in Breast Screening** Shazia Khan, Bradford Teaching Hospitals NHS Foundation Trust

14.30 **Male breast ultrasound: 2019 audit results** Susan Williams, The Shrewsbury and Telford Hospital NHS Trust

14.40 **Is there a role for advanced practitioners to deliver biopsy results within breast screening?** Joleen Kirsty Eden, East Lancashire Hospitals NHS Trust

14.50 **Live Q&A with presenters**

15.00 - 15.30 Comfort break and Exhibitor knowledge share session

15.30 - 16.50	AI and perception: Informing practice - physics session Chairs: <i>Prof Mark Halling-Brown and Ms Patsy Whelehan, Symposium Mammographicum Organising Committee</i>
15.30	Perception of images <i>Professor Michael Webster, Foundation Professor of Psychology, University of Nevada, USA</i>
15.45	How to assess AI for screening <i>Professor Nico Karssemeijer, Founder of ScreenPoint and Professor of Radiology, Radboud University, Nijmegen, The Netherlands</i>
16.00	Evaluation processes for AI <i>Professor Ken Young, Head of Research (NCCPM)</i>
16.15	Developing AI for breast density, risk assessment and generalisability of models <i>Dr Lucy Warren, Clinical Scientist, Royal Surrey NHS Foundation Trust</i>
16.30	How might technology lead to quality improvements in the service <i>Dr Melissa Hill, Consultant Imaging Scientist, Volpara Solutions Ltd</i>
16.45	Panel discussion

16.50 **Comfort break**

17.00 - 17.35	Closing plenary
17.00	Chair: <i>Dr Barbara Dall, Trustee, Symposium Mammographicum Organising Committee</i>
17.30	Sir John Stebbings Lecture: Visual adaptation & perception <i>Professor Michael Webster, Foundation Professor of Psychology, University of Nevada, USA</i>
	Prize giving <i>Dr Michael Michell, President</i>
	Close and announcement of 2022 venue and dates
