

SUNDAY 7 February

09.45	Delegates enter lobby
09.50 - 10.40	Opening plenary session
09.50	Welcome and introduction <i>Dr Michael J Michell, President, Symposium Mammographicum</i>
10.00	Audrey Tucker Memorial lecture: Screening and early diagnosis of breast cancer: Past, present and future <i>Professor Sir Mike Richards, Chair, Independent Review of Adult Screening Programmes in England</i>
10.40	Live Q&A

10.40 - 11.00 Comfort break and poster viewing opportunities

11.00 - 12.00	COVID-19 update <i>Chair: Dr Sarah Vinnicombe, Symposium Mammographicum Organising Committee</i>
11.00	Impact of Covid-19 and the suspension on the breast screening programme <i>Professor Stephen Duffy, Director of the Policy Research Unit in Cancer Awareness, Screening and Early Diagnosis</i>
11.25	Resilience and innovation in education <i>Dr Claire Mercer, Head of Radiography, University of Salford</i>
11.50	Panel discussion
12.00 - 13.00	UK Screening Trials <i>Chair: Dr Sarah Vinnicombe, Symposium Mammographicum Organising Committee</i>
12.00	PROSPECTS <i>Dr Michael J Michell, Consultant Radiologist, King's College Hospital, London</i>
12.15	BRAID & MYPEBS <i>Professor Fiona J Gilbert, Professor of Radiology, University of Cambridge School of Clinical Medicine</i>
12.30	PROCAS 2 <i>Professor Gareth Evans, Professor of Medical Genetics, Regional Genetics, St Mary's Hospital, Manchester</i>
12.45	Panel discussion

13.00 – 14.00 Lunch break and
Endomag Sponsor's symposium

14.00 - 15.00	Proffered papers 1 <i>Chair: Dr Sarah Tennant, Symposium Mammographicum Organising Committee</i>
14.00	Chasing calcification - are we performing too many diagnostic stereotactic biopsies for the assessment of microcalcifications? <i>Dr Ketan Jethwa, Nottingham Breast Institute</i>
14.10	B3 lesions - VAE to B5b or not to B5b, a DGH experience <i>Mrs Julia Yemm, Sherwood Forest Hospitals NHS Foundation Trust</i>
14.20	Risk of breast cancer following detection of breast lesions of uncertain malignant potential: A 23-year retrospective review <i>Dr Nerys Forester, Newcastle Hospitals</i>
14.30	The prognostic impact of mode of detection of axillary metastases for women with invasive breast cancer <i>Ms Kirsty McNeil, NHS Tayside</i>
14.40	Contrast enhanced digital breast tomosynthesis for the monitoring of response to neoadjuvant chemotherapy: Preliminary results <i>Dr Sarah Savaridas, University of Dundee</i>
14.50	Live Q&A with presenters

15.00 - 15.40 Comfort break and poster viewing opportunities

15.40 - 16.20	Society and College of Radiographers Workshop Breaking through the glass ceiling <i>Ms Sue Johnson, SCoR and Mrs Claire Borrelli, Symposium Mammographicum Organising Committee</i>
15.40 - 16.40	<i>Poster viewing</i>

16.40 - 17.00 Comfort break and poster viewing opportunities

NETWORKING BREAKOUT SESSIONS

17.00 - 18.00	Workshop Assistant Practitioners Breakout Session <i>Chairs: Mrs Claire Borrelli and Mr Oliver Morrish, Symposium Mammographicum Organising Committee</i>
17.00	SCoR update/scope of practice <i>Ms Sue Johnson, Professional Officer Clinical Imaging, Society and College of Radiographers</i>
17.15	Academy e-learning material for APs <i>Mrs Lyndsay Kinnear, Training & Education Lead for Mammography, Nightingale Centre, Manchester University NHS Foundation Trust</i>
17.30	Audit – working on the mobile vans pilot and beyond <i>Ms Jacquie Jenkins, National Breast Screening Programme Manager, PHE</i>
17.45	Panel discussion
17.00 - 18.00	Consultant Practitioners Networking Breakout Session <i>Chairs: Ms Sue Garnett and Ms Zebby Rees, Symposium Mammographicum Organising Committee</i>
17.05	Update from CRAG <i>Ms Sue Williams, Consultant Radiographer in Breast Imaging, Shrewsbury and Telford NHS Trust</i>
17.15	Arbitration issues <i>Ms Lisa Hackney, Consultant Radiographer, Macclesfield District General Hospital</i>
17.25	Do we need accreditation? <i>Ms Linda Deane, Breast Imaging Consultant Radiographer, Shrewsbury and Telford Hospital</i>
17.35	Director of Screening <i>Mrs Kathryn Taylor, Director of Breast Screening and Consultant Radiographer, Cambridge University Hospitals NHS Foundation Trust</i>
17.45	Panel discussion

19.00 - 20.00 Ruby anniversary social event on Zoom

Join the President and colleagues for an evening of entertainment at home.

Andy Cope, Founder “The Art of Brilliance”, returns to tell us how to be happy in these uncertain times. Followed by a musical performance from Natasha Agarwal, former pupil at Royal Academy of Music and all round performer. Join the committee with a cocktail, mocktail or a cup of tea and toast the charity’s 40 year history in breast imaging

MONDAY 8 February

08.15 - 08.45 **Siemen's Sponsor's demonstration with live Q&A**

09.00 - 10.30	Artificial intelligence <i>Chair: Dr Ros Given-Wilson, Symposium Mammographicum Organising Committee</i>
09.00	How does it work <i>Professor Ken Young, Head of Research (NCCPM), Medical Physics Department, Royal Surrey County Hospital</i>
09.20	Evidence <i>Professor Nico Karssemeijer, Founder ScreenPoint and Professor of Radiology, Radboud University, Nijmegen, The Netherlands</i>
09.40	Where can it fit into the clinical pathway <i>Dr Louise Wilkinson, Consultant Radiologist, Oxford Breast Imaging Centre</i>
10.00	Information Governance & AI <i>Dr Kevin Dunbar, Regional Head of Screening Quality Assurance Service (SQAS) – South, Public Health England Screening Division</i>
10.20	Panel discussion

10.30 - 11.00 **Comfort break and Sponsor's knowledge share session**

11.00 - 12.30	Safely reducing recall and cases to learn from Association of Breast Clinicians session <i>Chair: Dr Zoe Goldthorpe, President, ABC</i>
	
11.00	Reducing recall rate <i>Dr Alexandra Valencia, Consultant Radiologist, Bristol</i>
11.25	Cases to learn from <i>Dr Keshthra Satchithananda, Consultant Radiologist, King's College Hospital, London</i>
11.50	Small round masses – hints & tips <i>Dr Nisha Sharma, Director of Breast Screening and Clinical Lead for Breast Imaging, Leeds Teaching Hospitals NHS Trust</i>
12.15	Panel discussion

12.30 - 13.15 **Lunch Break and Sponsor's knowledge share session**

13.15 - 14.15	Building resilience in the workplace <i>Chair: Dr Claire Mercer, Symposium Mammographicum Organising Committee</i>
13.15	Burnout: How can we protect ourselves and each other? <i>Dr Ruchi Sinnatamby, Consultant Radiologist and Clinical SubDean, Cambridge University Hospitals NHS Foundation Trust</i>
13.30	Bullying and bad behaviour in the workplace affects patient care <i>Miss Leena Chagla, Honorary Secretary of ABS, Consultant Surgeon and Lead Clinician, St Helens and Knowsley Teaching Hospitals</i>
13.45	
14.00	STOPThink! <i>Mr Mick Reeves, STOP Think! Lead, Osborne</i>
	Panel discussion

14.15 - 14.35 **Comfort break and Sponsor's knowledge share session**

14.35 - 15.45	<p>Knowledge is power Chair: Ms Patsy Whelehan, Symposium Mammographicum Organising Committee Breast academy Dr Megan Bydder, Manchester University Hospitals NHS Foundation Trust 14.35 Undertaking a PhD Dr Claire Mercer, Head of Radiography, University of Salford 14.50 Tools for getting research approval Dr Lyn Jones, Consultant Radiologist, North Bristol NHS Trust 15.05 The Breast Screening Research Advisory Committee (RAC) Mr Mark Sibbering, Consultant Breast Surgeon, University Hospitals of Derby and Burton 15.20 Panel discussion 15.35</p>
15.45 - 16.30	<p>Fujifilm Platinum Sponsor's symposium Breast density and breast cancer risk assessment - Will AI add value? Dr Laurie Fajardo, Professor of Radiology, University of Utah, USA</p>

16.30 - 17.00 Comfort break and Sponsor's knowledge share session

17.00 - 18.00	<p>Male, trans and non-binary people - Association of Breast Clinicians session Chair: Dr Catherine Coleman, Secretary of ABC and Organising Committee member 17.00 Male Breast imaging and guidelines – Past, present and future Dr Di Dalgliesh, Breast Clinician, Bath and Bristol, Vice President ABC 17.20 Breast screening for trans and non-binary people Dr Gary Rubin, Locum Consultant Radiologist, Worthing and Brighton 17.40 Panel discussion</p>
---------------	---

18.00 - 19.00	Sponsor's symposium
---------------	----------------------------

19.00 Calming yoga session

TUESDAY 9 FEBRUARY

07.30 Energising yoga session

08.00 - 08.45 **Sponsor's symposium**

09.00 - 10.00 De-escalation trials update
Chair: *Claire Borrelli, Symposium Mammographicum Organising Committee*
 09.00 **SMALL** *Mr Stuart McIntosh, Clinical Senior Lecturer in Surgical Oncology, Queen's University Belfast*
 09.20 **LORIS and Nostra trial where we are** *Dr Matthew Wallis, Consultant Radiologist, Cambridge*
 09.50 **Panel discussion**

10.00 - 11.00 Good communication supports good care
Chair: *Claire Borrelli, Symposium Mammographicum Organising Committee*
 10.00 **Telephone results study** *Dr Sian Taylor-Phillips, Associate Professor of Screening and Test Evaluation, Warwick Medical School*
 10.15 **Genetics App SGH** *Dr Katie Snape, Consultant Cancer Geneticist, St George's Hospital*
 10.30 **How do women experience a false positive test result from breast screening? A systematic review and thematic synthesis** *Miss Hannah Long, PhD student, University of Manchester*
 10.45 **Panel discussion**

11.00-11.30 Siemens Sponsor's demo - Showcasing our newest mammography system, the MAMMOMAT Revelation: enhance your workflow with the widest angle tomosynthesis and unique InSpec Live Q&A

11.30 - 11.40 Comfort break

11.40 - 13.10 Equipment performance and dosimetry
Chair: *Mr Oliver Morrish, Symposium Mammographicum Organising Committee*
 11.40 **QA testing for CESM** *Ms Katherine Schofield, Mammography Physics Team, Health Facilities Scotland*
 12.00 **Towards the model observer** *Dr Lynn Martinez, Clinical Scientist, Royal Free*
 12.20 **Dose management and practical implications** *Mr Matthew Dunn, Head of Radiation Physics, Nottingham University Hospitals NHS Trust*
 12.40 **Breast imaging dosimetry: Present and future** *Dr Ioannis Sechopoulos, Associate Professor, Radboud University Medical Centre, LRCB, Dutch Expert Centre for Screening*
 13.00 **Panel discussion**

13.10 - 14.00 Comfort break

13.15 - 14.00 Hologic Sponsor's symposium

14.00 - 15.10	Wellbeing of patients with advanced disease Chair: <i>Mrs Claire Borrelli, Symposium Mammographicum Organising Committee</i>
14.00	Breast cancer as a chronic disease <i>Professor Debbie Fenlon, Professor of Nursing, Swansea University</i>
14.15	Imaging metastatic disease/PET <i>Professor Iain Lyburn, Gloucestershire Hospitals NHSFT</i>
14.30	Pathology of primary and recurrent/metastatic tumours – informing the decision to rebiopsy <i>Dr Rahul Deb, Consultant Histopathologist & Breast MDT Lead, University Hospitals of Derby and Burton</i>
14.45	Oncologist's view – how to broach bad news regarding secondary breast cancer <i>Dr Muireann Kelleher, Oncologist, St George's University Hospitals NHS Foundation Trust</i>
15.00	Panel discussion
15.10 - 15.40	Fujifilm Equipment walkthrough demonstration

15.40 - 16.10 **Comfort break and poster viewing**

16.10 - 17.00	Proffered papers 2 Chair: <i>Ms Patsy Whelehan, Symposium Mammographicum Organising Committee</i>
16.10	Estimating the cost impact of including Magnetic Resonance Imaging (MRI) in the National Health Service Breast Screening Programme (NHSBSP) for population-risk women in England <i>Claire Hulme, University of Exeter</i>
16.20	Expression of the gadolinium transporters SLCO1B1 and SLCO1B3 in breast cancers: A potential role in influencing tumour enhancement on MRI <i>Rachel Sutherland, Newcastle University</i>
16.30	Determination of onset fatigue while reading Digital Breast Tomosynthesis (DBT) cases <i>Mitchell Searjeant, University of Nottingham</i>
16.40	Live Q&A with presenters

17.00 - 18.00 **Poster viewing**

18.00 - 19.00	Ciaran Fairburn post match report
----------------------	--

WEDNESDAY 10 February

08.00 - 08.45 Sponsors' symposium

09.00 - 10.00	Detecting the elusive aggressive cancers <i>Chair: Dr Barbara Dall Symposium Mammographicum Organising Committee</i>
09.00	Setting the scene <i>Dr Matthew Wallis, Consultant Radiologist, Cambridge</i>
09.15	The role of contrast enhanced spectral mammography in finding the cancers that kill <i>Dr Elisabetta Giannotti, Consultant Radiologist, Nottingham University Hospitals</i>
09.30	The role of abbreviated breast MRI <i>Dr Lyn Jones, Consultant Radiologist, North Bristol NHS Trust</i>
09.45	Panel discussion
10.00 - 10.20	Fujifilm knowledge share session

10.20 - 10.30 Comfort break

10.30 - 12.00	Association of Breast Surgery joint session <i>Chair: Miss Julie Doughty, President, Association of Breast Surgery</i>
10.30	Breast conservation: Pushing the boundaries <i>Professor Michael Dixon, Professor of Surgery & Consultant Surgeon, University of Edinburgh</i>
10.50	Axilla surgery: Less is more <i>Miss Leena Chagla, Consultant Surgeon and Lead Clinician, St Helens & Knowsley Teaching Hospitals</i>
11.10	Family history risk reducing surgery and is there a role to image the reconstructed breast <i>Mr John Murphy, Consultant Oncoplastic Breast Surgeon, University of South Manchester</i>
11.30	Lipofilling, its indications, pitfalls and implications for radiologists <i>Professor Jaume Masia, Plastic Surgeon, University of Barcelona, Spain</i>
11.50	Panel discussion
12.00 - 13.00	LIVE Interactive case session presented by Harrogate Radiology team <i>Dr Caroline Costello and Dr Neal Larkman, Consultant Radiologists, Harrogate</i>

13.00 - 14.00 Comfort break and Sponsor's symposium

14.00 - 15.00	Proffered papers 3 <i>Chair: Dr Claire Mercer, Symposium Mammographicum Organising Committee</i>
14.00	Smoking is an independent negative predictor of mammography attendance in women eligible for breast screening <i>Patricia Fitzpatrick, University College Dublin</i>
14.10	Incorporating adult learning theory into interventions to reduce recall rate in Breast Screening <i>Shazia Khan, Bradford Teaching Hospitals NHS Foundation Trust</i>
14.20	Male breast ultrasound: 2019 audit results <i>Susan Williams, The Shrewsbury and Telford Hospital NHS Trust</i>
14.30	Is there a role for advanced practitioners to deliver biopsy results within breast screening? <i>Joleen Kirsty Eden, East Lancashire Hospitals NHS Trust</i>
14.40	Live Q&A with presenters

14.55 - 15.20 Comfort break and Exhibitor knowledge share session

15.20 - 16.40	AI and perception: Informing practice - physics session <i>Chair: Prof Mark Halling-Brown, Symposium Mammographicum Organising Committee</i>
---------------	--

15.20	Visual adaptation and the perception of medical images <i>Professor Michael Webster, Foundation Professor of Psychology, University of Nevada, USA</i>
15.35	How to assess AI for screening <i>Professor Nico Karssemeijer, Founder of ScreenPoint and Professor of Radiology, Radboud University, Nijmegen, The Netherlands</i>
15.50	Evaluation processes for AI <i>Professor Ken Young, Head of Research (NCCPM)</i>
16.05	Developing AI for breast density, risk assessment and generalisability of models <i>Dr Lucy Warren, Clinical Scientist, Royal Surrey NHS Foundation Trust</i>
16.20	How might technology lead to quality improvements in the service <i>Dr Melissa Hill, Consultant Imaging Scientist, Volpara Solutions Ltd</i>
16.35	Panel discussion

16.40 **Comfort break**

16.50 - 17.25	Closing plenary <i>Chair: Dr Michael Michell, President, Symposium Mammographicum</i>
16.50	Sir John Stebbings Lecture: Visual adaptation and perceptual experience <i>Professor Michael Webster, Foundation Professor of Psychology, University of Nevada, USA</i>
	Q&A Prize giving <i>Dr Michael Michell, President</i>
17.25	Closing remarks
