

CONFERENCE PROGRAMME

WEDNESDAY 21 JUNE

12.00 - 18.00 Registration open

13.30 - 14.30 WORKSHOP SESSION 1

ALSH

W1

Open to all

Supporting the mammography workforce

Chairs: Claire Borrelli and Lyndsay Kinnear, Symposium Mammographicum Organising Committee

Supporting the workforce: An #OnlineMammographyNetwork for those mentoring mammography practitioners *Claire Mercer, Head of Radiography, University of Salford*

Supporting the workforce: Safe ergonomic practice *Jojo Boafo, Lead Physiotherapist, Leeds Community Healthcare NHS Trust*

Supporting the workforce: Menopause *Bukky Ayode, Menopause Lead, Workforce, Training & Education Directorate (WT&E) NHS England*

W2

Breast biopsy workshop

BOISDALE 1

Facilitators: Sue Garnett, Consultant Radiographer; Sandra Riley, Consultant Radiographer; Hannah Lewis, Trainee Consultant Radiographer and Joanne Noel, Advanced Practitioner, University Hospitals Coventry and Warwick; Lucy Cielecki, Shrewsbury and Telford Hospitals and Zebby Rees, Consultant Breast Radiographer, Hywel Dda Health Board, Glangwili, Wales

W3

FAST MRI Taster session

BOISDALE 2

Lyn Jones, Rebecca Geach and Sadie McKeown-Keegan, FAST MRI Programme, North Bristol NHS Trust
Thanks to SciCom Royal Surrey NHS Foundation Trust for providing equipment

W4

Tomosynthesis – Opening up the picture with Siemens Healthineers unique 50-degree wide-angle technology

DOCHART 1

Chair: Jo Barry, Business Manager for X-ray Products, Siemens Healthineers

Shelley Mitchell, Mammography Product Specialist and Suzanne Smith, Mammography Product Specialist, Siemens Healthineers

W5

Family history taking – interactive workshop

CARRON 1

Di Dagleish, Breast Clinician, Bath and Bristol, Vice President ABC and Cathy Coleman, Breast Clinician, St George's

W6

Limited numbers

Cancer communication training taster

DOCHART 2

Frances Yuille, Clinical Oncologist and Samantha Hopkins, Medical Oncology Registrar, Edinburgh Cancer Centre

14.30

Refreshments

14.45 - 15.45 WORKSHOP SESSION 2

W7

Open to all

Advanced mammography and consultant radiographers

LOMOND

Chairs: Sarah Vinnicombe and Zebby Rees, Symposium Mammographicum Organising Committee

Non-guidewire localisation techniques *Simon Lowes, Consultant Breast Radiologist, Gateshead Health NHS Foundation Trust, and Honorary Clinical Senior Lecturer, Newcastle University*

Experience of mammographers during the COVID-19 pandemic *Elizabeth Underdown, Specialist Radiographer in Breast Imaging, University of Suffolk*

AI and mammography *Christina Malamateniou, Postgraduate Programme Director for Radiography, City, University of London* **VIRTUAL**

Panel discussion

CONFERENCE PROGRAMME

W8	Breast biopsy workshop (Repeat of W2) See overleaf	BOISDALE 1
W9	FAST MRI Taster session (Repeat of W3) See overleaf	BOISDALE 2
W10	Tomosynthesis - Opening up the picture with Siemens Healthineers unique 50-degree wide-angle technology (Repeat of W4) See overleaf	DOCHART 1
W11 Open to all	Short papers session 1 - clinical papers <i>Chairs: Ros Given-Wilson and Patsy Whelehan, Symposium Mammographicum Organising Committee</i> Can axillary surgery be tailored based on response to neoadjuvant chemotherapy assessed with CEUS? <i>Mariana Afonso Matias, Breast Clinician Trainee, Leeds Teaching Hospitals NHS Trust</i> Mammographic density and breast cancer risk factors: Systematic review and meta-analysis <i>Dixa Thakrar, General Surgical Trainee, Cancer Epidemiology Unit, Nuffield Department of Population Health, University of Oxford</i> Retrospective audit of patients with breast pain referred to the Bristol breast care centre <i>Kanika Kaushal, Consultant Breast Radiologist, Royal Liverpool University Hospital</i> Breast lesions incidentally detected on CT - audit of cases referred to a one stop breast clinic <i>Olivia Taylor-Fry, Consultant Radiographer, St George's NHS Trust, London</i> Incidental breast lesions on cross-sectional studies - impact of an alternative referral pathway <i>Anusha Subramanian, Clinical Observer, Thirlestaine Breast Centre, Cheltenham</i>	ALSH
16.00 - 17.00	Interesting cases Scotland Breast Team presentation <i>Archana Seth, Consultant Radiologist; Svetlana Linder, Locum Consultant Radiologist; Micael Oliveira Diniz, Visiting Registrar and other team members, Greater Glasgow and Clyde</i>	LOMOND
17.00 - 19.00	Welcome reception, author hosted poster presentations and exhibition	HALL 2

CONFERENCE PROGRAMME

THURSDAY 22 JUNE

07.30 **5km fun run or walk along the Clyde**
Meet at the front of the SEC

08.00 Registration and exhibition open

09.00 - 10.35 **OPENING PLENARY SESSION**

LOMOND

Welcome and introduction *Michael J Michell, President, Symposium Mammographicum*

09.05 **Audrey Tucker Memorial lecture**

Multi-cancer early detection tests: impact on current and future population cancer screening

Allan Hackshaw, Director of Cancer Research UK and UCL Cancer Trial Centre, Cancer Institute, University College London

09.35 **COVID-19 – the aftermath**

LOMOND

Chairs: Sarah Vinnicombe and Claire Bailey, Symposium Mammographicum Organising Committee
Impact of the pandemic on long term screening outcomes *Stephen Duffy, Director of the Policy Research Unit in Cancer Awareness, Screening and Early Diagnosis*

Screening programme – recovery plan *Louise Wilkinson, Consultant Breast Radiologist, Oxford University Hospitals NHS Foundation Trust*

Lessons learnt from the COVID-19 pandemic; positive changes to breast cancer management

Rajiv Dave, Consultant Oncoplastic Breast and Endocrine Surgeon, The Nightingale Centre, Wythenshawe Hospital, Manchester University NHS Foundation Trust; Honorary Senior Lecturer, Faculty of Biology, Medicine and Health, University of Manchester

Discussion

10.35 - 11.15 Refreshments, exhibition and poster viewing

11.15 - 12.45 **AI in imaging**

LOMOND

Chairs: Mark Halling-Brown and Ros Given-Wilson, Symposium Mammographicum Organising Committee

What is AI? *Richard Sidebottom, Consultant Radiologist, Royal Marsden Hospital NHS Foundation Trust and Gloucestershire Hospitals NHS Foundation Trust*

Update on the state of play for where we are with AI in breast screening *Gerald Lip, Clinical Director, North East of Scotland Breast Screening Programme, NHS Grampian*

Current use of AI in clinical practice and evidence from ongoing trials *Nico Karssemeijer, Co-Founder, ScreenPoint Medical, The Netherlands*

Implementation: the reality of it all - UK perspective *Louise Wilkinson, Consultant Breast Radiologist, Oxford University Hospitals NHS Foundation Trust*

Discussion

CONFERENCE PROGRAMME

12.45 – 14.00 Lunch, exhibition and poster viewing

13.00 - 13.45 **Breast biopsy workshop**
See Wednesday for full details (W2)

BOISDALE 1

14.00 - 14.30 **Balancing risks and harms**

LOMOND

Chairs: Michael Michell and Barbara Dall, Symposium Mammographicum Organising Committee
Keynote lecture *Nehmat Houssami, University of Sydney, Australia*

14.35 - 15.30 **PARALLEL SESSIONS 1**

LOMOND

1A

Workforce: Supporting staff to deliver care - Joint ABC session

Chairs: Claire Borrelli and Cathy Coleman, Symposium Mammographicum Organising Committee

Scene setting - facts and figures *Sandra Anglin, Deputy Director Public Health Commissioning and Operations, NHS England*

How to fill the gap - international recruitment and innovative training apprenticeships NBIA opportunities *Mary Wilson, National Breast Imaging Academy, Manchester University Hospitals NHS Foundation Trust*

Breast Clinician Credential - another innovative solution *Zoe Goldthorpe, President ABC*

Succession planning: Can we learn from others? *Emma Taylor, Chief People Officer, People Team, Tesco*
Discussion and voting

1B

Technical programme – Equipment

Chairs: Sarah Vinnicombe and Anna Burch, Symposium Mammographicum Organising Committee

Home reporting and quality assurance *Oliver Morrish, Consultant Clinical Scientist, Cambridge University Hospitals NHS Foundation Trust*

Performance of ageing equipment *Martha Stuffins, Clinical Scientist, Velindre NHS Trust*

FAST MRI quality control phantoms *Siân Curtis, Consultant Clinical Scientist, University Hospitals Bristol and Weston NHS Foundation Trust*

ALSH

15.30 - 16.10 Refreshments, exhibition and poster viewing

16.10 - 17.30 **PARALLEL SESSIONS 2**

LOMOND

2A

Optimising the patient journey

Chairs: Patsy Whelehan, Symposium Mammographicum Organising Committee and Sarah Downey, Vice President, ABS

The ABS ASPIRE Breast Pain Pathway *Rajiv Dave, Consultant Oncoplastic Breast and Endocrine Surgeon, The Nightingale Centre, Wythenshawe Hospital, Manchester University NHS Foundation trust; Honorary Senior Lecturer, Faculty of Biology, Medicine and Health, University of Manchester*

AI-assisted self-referral of patients with breast symptoms *Ahsan Rao, Breast Oncoplastic and Reconstructive Surgeon, Essex and London*

Improving patient health by improving respect *Josie Cheetham, Civility Saves Lives*

CONFERENCE PROGRAMME

FRIDAY 23 JUNE

08.00 - 08.45 **Breast biopsy workshop (W2)**

See Wednesday for full details

BOISDALE 1

08.00 - 08.45 **HOLOGIC Workshop on contrast mammography**

Tamara Suaris, Director of Screening for Central and East London Breast Screening Service and Lead Breast Radiologist, Barts Health NHS Trust

BOISDALE 2

09.00 - 09.30 **PLENARY SESSION**

Welcome and introduction *Sarah Tennant, Conference Chair, Symposium Mammographicum*

Sir John Stebbings Lecture: Population mammography screening at a crossroads

Nehmat Houssami, University of Sydney, Australia

LOMOND

09.30 - 10.30 **Joint ABP Pathology session**

Chairs: Rahul Deb and Charlotte Hawke, Symposium Mammographicum Organising Committee

Journey of a specimen: behind the pathology report *Clinton Boyd, Consultant Pathologist, Belfast Health and Social Care Trust*

Is it a B1 or B2? An update of B3 from the national pathology audit *Rahul Deb, Consultant Histopathologist/Breast MDT Lead, University Hospitals of Derby and Burton NHS Foundation Trust*

How the pathology report personalises treatment *Sarah Pinder, Professor of Breast Pathology, King's College London and Guy's and St Thomas' Hospitals*

Discussion

10.30 - 11.15 Refreshments, exhibition and poster viewing

11.15 - 12.15 **PARALLEL SESSIONS 3**

3A

Joint ABS session: Surgery update

Chairs: Sarah Downey, Vice President, ABS and Nisha Sharma, Symposium Mammographicum Organising Committee

GIRFT Update *Tracey Irvine, Senior Clinical Advisor GIRFT VIRTUAL*

De-escalation of breast and axilla surgery, wires and seeds *Amit Goyal, Consultant Oncoplastic Breast Surgeon & Associate Professor, University Hospitals of Derby & Burton NHS Foundation Trust*

Neoadjuvant guidelines *Julie Doughty, Consultant Breast Surgeon, Glasgow*

Short papers session 2 – Mammography papers

LOMOND

Chairs: Marianna Telesca and Michael Michell, Symposium Mammographicum Organising Committee

Can a specificity-focused PERFORMS case set affect the performance of breast screening readers?

Yan Chen, Associate Professor, University of Nottingham

A comparison of contrast enhanced mammography and magnetic resonance imaging in the evaluation of breast disease: A systematic review *Bethan Williams, Consultant Radiographer, Aneurin Bevan University Health Board*

Temporal enhancement features on contrasted enhanced mammography (CEM): Comparison with breast MRI *Sarah Savaridas, Senior Clinical Lecturer and Honorary Consultant Radiologist, University of Dundee*

Evaluation of an AI tool to measure mammographic density for use in a future FAST MRI trial *Sandra Gomes, Computer Scientist, Royal Surrey NHS Foundation Trust*

Imaging and breast cancer characteristics influence mammography artificial intelligence output and detection *Sarah Lewis, Associate Dean Research, The University of Sydney*

A comparison of digital mammography and phase contrast tomography for visualisation of breast cancers *Sarah Lewis, Associate Dean Research, The University of Sydney*

12.15 - 13.00 Trials update: Snapshots

LOMOND

Chairs: Sarah Tennant and Claire Borrelli, Symposium Mammographicum Organising Committee

DCIS *Matthew Wallis, Consultant Radiologist, Cambridge Breast Unit*

PROSPECTS *Michael J Michell, Consultant Radiologist, King's College Hospital, London*

SMALL *Nisha Sharma, Clinical Lead for Breast Imaging, Leeds Teaching Hospitals NHS*

NOSTRA *Iain Lyburn, Consultant Radiologist Gloucestershire Hospitals NHS FT and Cobalt Medical Charity, Visiting Professor Cranfield University.*

The AGEX trial of one additional invitation to breast screening *Isobel Barnes, Senior Statistician, University of Oxford*

BRAID *Iain Lyburn, Consultant Radiologist Gloucestershire Hospitals NHS FT and Cobalt Medical Charity, Visiting Professor Cranfield University.*

FAST MRI: The DYAMOND Study *Lyn Jones, Honorary Consultant Radiologist, FAST MRI Programme, North Bristol NHS Trust*

13.00 - 14.15 Lunch and exhibition

13.15 - 14.00 HOLOGIC Workshop on contrast mammography

BOISDALE 2

*Tamara Suaris, Director of Screening for Central and East London Breast Screening Service
Lead Breast Radiologist, Barts Health NHS Trust*

14:15 – 15.15 Tips and tricks

LOMOND

Chair: Marianna Telesca and Sarah Tennant, Symposium Mammographicum Organising Committee

CESM (inc. artefacts) *Jonathan James, Consultant Radiologist, Nottingham*

Image-guided vacuum excision of cancers *Nisha Sharma, Clinical Lead for Breast Imaging, Leeds Teaching Hospitals NHS*

Second-look ultrasound following breast MRI *Tamara Suaris, Director of Screening for Central and East London Breast Screening Service, Lead Breast Radiologist, Barts Health NHS Trust*

15.15 - 15.30 Prizegiving and closing remarks

Michael J Michell, President, Symposium Mammographicum
